| Call to Order/ Introductions | Brian Massey brought the meeting to order at 2:00PM. | |
| Meeting | <p>Valerie Teachout opens the meeting with a brief introduction of everyone.</p> <p>Brian Massey gives an overview the Pediatric Task Force’s Purpose.</p> <p>Guest Speakers are introduced:</p> <p>Dr Marshall Frank, Medical Director for Sarasota County Fire Department, speaks on the importance of identifying a Prehospital Pediatric Emergency Care Champion (PECC) An agency-designated individual who champions pediatric emergency care in the prehospital setting. A prehospital PECC can be a fire chief, training officer, EMT, paramedic, or medical director.</p> <ul style="list-style-type: none"> • Ensures that the pediatric perspective is included in the development of EMS protocols. • Ensures that fellow EMS professionals follow pediatric clinical practice guidelines. • Promotes pediatric training opportunities. • Ensures the availability and correct use of pediatric medications, equipment, and supplies. • Promotes agency participation in pediatric prevention programs. • Ensures disaster plans address the needs of children. | |

SWFLHCC Pediatric Care Task Force Meeting

| | |
|---------------------|--|
| | <ul style="list-style-type: none"> • Collaborates with local hospital PECC(s) • Promotes family-centered care. • Identifies and addresses the needs of children with special healthcare needs. <p>If you would like to learn more please see https://flemsc.emergency.med.jax.ufl.edu/pediatric-readiness/emergency-medical-service-agencies/pediatric-emergency-care-coordinator/</p> <p>Capt. Jeremiah Rabish, EMS Operations Captain for Sarasota County Fire Department, Spoke on his experience in the field and the need of pediatric transport devices. He informed the group of special organizations who conduct pediatric specific grief counseling and training for patients with special needs such as autism.</p> <p>Peggy Brown – A few agencies here are not hospitals or EMS but how can they spread the word on what the need of having a PECC is?</p> <p>Dr. Frank – The focus should be on informing others on what a PECC is. Starting at the https://flemsc.emergency.med.jax.ufl.edu/ or Googling PECC you can also direct them to me or Dr Henry.</p> <p>Nichole Shimko – Are there meetings across the state with PECC that we could direct people to?</p> <p>Jeremiah Rabish – Not at the moment but that could be a good recommendation to look into.</p> <p>Brian Massey urges members to take the HVA Survey and enter any pediatric specific needs. The HVA will be closing on November 30th, 2023.</p> <p>Pediatric Surge Annex/Exercise is currently being developed. We are requesting to know who your Pediatric Emergency Care Coordinators or Subject Matter Experts (SMEs) are. We are also looking for pediatric mental health experts, local sources to approach for car seats during a disaster/emergency trying to identify external caches or (re)supply points within the HCC that would be available in the event of a pediatric surge.</p> <p>The FERNO Transportation Devices training can now be found on our website: https://swflcoalition.org/resource/ferno-pediatric-transport-devices/</p> <p>Please visit the new Coalition website that is now live and will be a helpful resource for the membership: https://swflcoalition.org/</p> <p>If you have any suggestions on trainings, exercises or any other resource that might benefit the members, please email us at: Coalition@hpcswf.com</p> |
| Next Meeting | The next Pediatric Care Task Force meeting will be December 19 th , 2023 at 2:00PM |
| Open Floor | <p>The floor was opened to all members.</p> <ul style="list-style-type: none"> - Niki Shimko would like to remind members of the upcoming OB-Neonatal Education Series - Part 1 on January 24th, 2023 |
| Adjournment | Meeting adjourned at 3:04pm |
