

Upcoming Exercise and Educational Opportunities

The Southwest Florida Healthcare Coalition will be offering a series of eight virtual opportunities in 2023 and 2024 to assist your organization in meeting your CMS 'Exercise of Choice' requirement and in evaluating current plans, policies, and procedures.

Each of this quarter's exercises allows participants to engage in group discussion regarding the listed topic. Following the exercise, participants will receive an After-Action Report / Improvement Plan and a Certificate of Participation.
